

1024px X 72 px

about

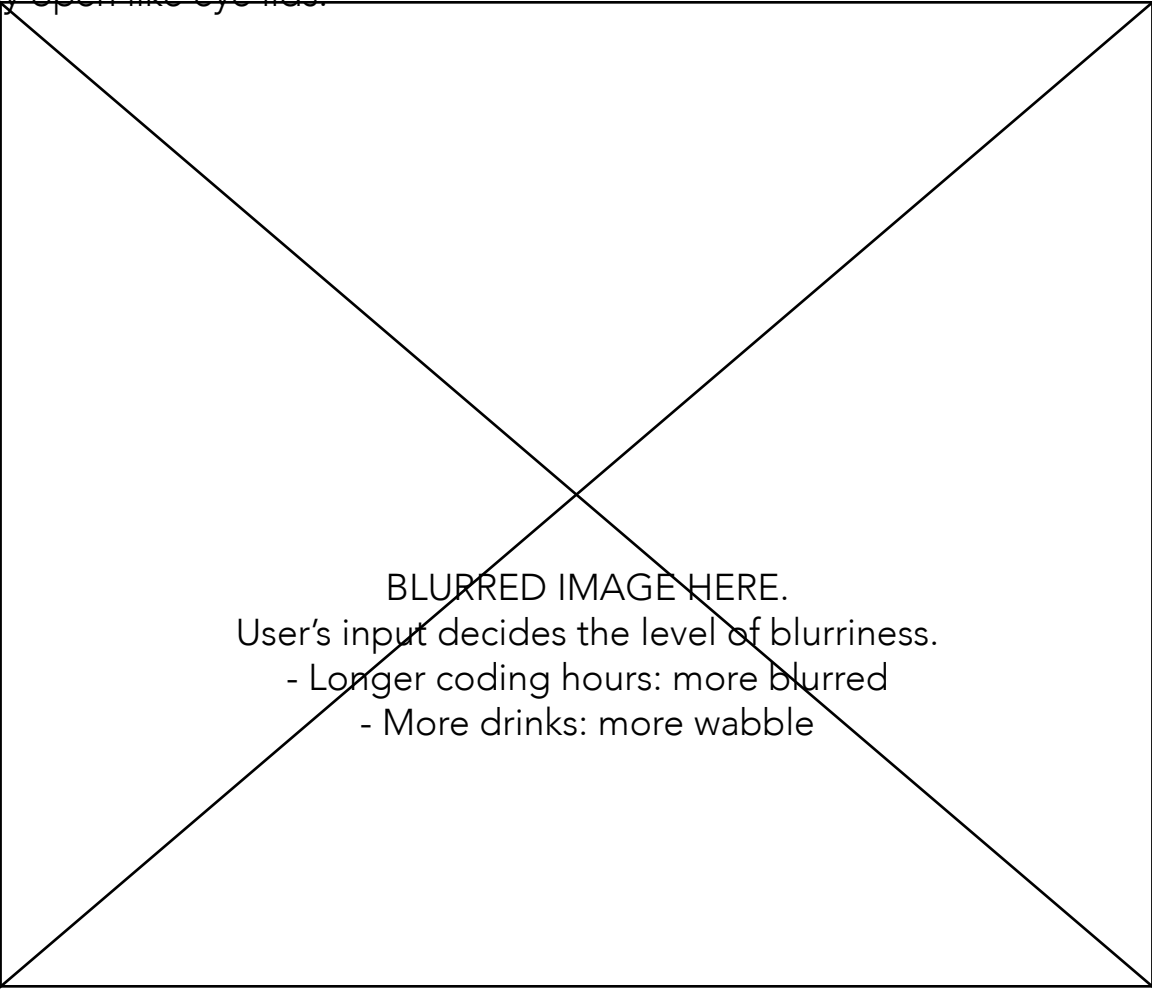

"about" and "xxx" would only appear when hover on top black strip

FuzzFeed

XXX?

upon page loading, the 2 black strips gradually open like eye lids.

If have time, we will do a timer.

Buttons will be wabbling, like the example on codepen.io

ANSWER 1

ANSWER 2

ANSWER 3

1024px X 72 px
